## Questions and their Responses

### 1. Can you send/confirm the addresses for your sites?

School site addresses/locations have not changed in many years, though some names of schools have changed in the last few years.

- i. Belle Haven Elementary School – 415 Ivy Drive, Menlo Park, CA 94025
- ii. Edison Brentwood Oaks School – 2086 Clarke Avenue, East Palo Alto, Ca 94303
- iii. Cesar Chavez Academy – 2450-A Ralmar Street, East Palo Alto, CA 94303
- iv. Costaño Elementary School – 2495 Fordham Street, East Palo Alto, CA 94303
- v. East Palo Alto Charter School – 1286 Runnymede Street, East Palo Alto, CA 94303
- vi. Flood Magnet School – 320 Sheridan Drive, Menlo Park, CA 94025
- vii. Green Oaks Academy – 2450-B Ralmar Street, East Palo Alto, CA 94025.
- viii. Ronald McNair Academy – 2033 Pulgas, East Palo Alto, CA 94303
- ix. East Palo Alto High School – 475 Pope Street, Menlo Park, 94025
- x. Willow Oaks School – 620 Willow Road, Menlo Park, CA 94025
- xi. Old SF 49er Academy – 2086 Clarke Avenue, East Palo Alto, CA 94303
- xii. Ravenswood City School District Office – 2160 Euclid Ave., East Palo Alto, CA 94303

### 2. We are trying to identify your request for Curb to MPOE or Curb to DMARC... Are there any sites that would require us to go beyond the MPOE i.e. to your wiring closet?

- a. Please price your design up to the MPOE (Main Point of Entry). No sites would require additional wiring or fiber past the site MPOE to our wiring closet.
